

Exciting News from the GSN Foundation at Symposium 2022!

Sponsored by **Envirotech Drilling**, we will be raffling a trip for 2 on the Colorado River Grand Canyon Float Trip led by Dr. Lew Kleinhans Aug. 28 – Sept. 6, 2023!! Hatch River Expeditions is the river company, one of the oldest and most experienced commercial companies.

Dr. Kleinhans has led over 15 trips through the Canyon. The trip is 2 days extra to allow a relaxed pace to see the geologic, archeological, and biologic wonders of the Canyon. Hatch provides all meals, camping gear, dry bags, lodging the night before the trip and helicopter lift out of the Canyon at the end.

Tickets are \$20 each and are available on the Symposium 2022 website under Registration where you will also find tickets for the Landshark Lounge party. The drawing will be held at the Landshark Lounge party on Wednesday, May 4. Tickets purchased before the Symposium will be in your registration packet. Tickets will also be sold during Symposium. The Landshark Lounge is being sponsored by **Baroid/Jentech** and **Blackrock Silver**. The raft trip winner will not need to be present to win but must be registered for the Symposium.
